

# Pricing

= Subscription fee + Transaction fees

## Subscription fee

| Monthly Subscription fee for the Giv2 platform | Starter   | Sampler | The 5 | The 10 | The 20 | Need more? Let's talk |
|--|-----------|---------|-------|--------|--------|-----------------------|
|  | 1 QR code | 2 QRs   | 5 QRs | 10 QRs | 20 QRs |                       |
|  | \$9       | \$15    | \$19  | \$29   | \$49   |                       |

\* **It's all about the [Analytics](#):** Multiple QRs let you see how your different campaigns are performing and where your donations have come from.

## Transaction fees

|             |            |                         |                        |
|-------------|------------|-------------------------|------------------------|
| Stripe fees | 2.7% + 30c | <b>\$100 Donation</b>   | <b>\$10 Donation</b>   |
| Giv2 fees   | 1.9% + 19c | You get: <b>\$94.91</b> | You get: <b>\$9.05</b> |

\* **Giv2 uses Stripe.com to process and keep users' credit card details safe**

Once a month donations are transferred to your nominated NZ bank account after transaction fees have been deducted. Transactions are processed via Giv2's Stripe account – so you can start using your Giv2 QR code immediately.

## Monthly Add ons

|                      |  |                      |       |              |
|----------------------|--|----------------------|-------|--------------|
| add more QRs         |  | add Premium features |       |              |
| 5 QRs to any package |  | Any 2                | Any 3 | Get them all |
| \$12                 |  | \$5                  | \$8   | \$9          |

# Features

## Standard Features (included on all packages)

### Donation Analytics

See which QRs are converting donations (which poster, message, location or collection point). See the values, volumes, time & date of all your donations

### Donations vs Contributions

Track Donations (eligible for tax rebate) vs. Contributions (purchases, ie: pins, sausage sizzle etc. - not eligible for tax rebate)

### Sending the right Receipts

Giv2 sends the right receipt type, saving you time and effort.

### Transaction notification

Receive a notification when someone completes a donation / contribution

### Donor number tracking

Donors can save their donor/supporter number - You can link their donation to their profile in your CRM/finance system

## Premium Features (add to any package)

### Custom redirection

On donation completion, user gets redirected to your website (or your specified page)

### Custom receipt message

Add a custom message on the donation receipt sent by Giv2 to your donor

### Instant Give (no QR needed)

Users can save your organisation as a favourite - then make instant donations anytime, without needing the QR code

### Custom donation amounts

2, 3 or 4 dollar buttons on your donation pages AND you choose the value of each button
